**Only Templar jewels are to be worn on the Templar Uniforms.** Reasonable enough isn't it - Templar Uniform and Templar Jewels. But you still see Past Master Jewels, Past High Priest Jewels, Past Illustrious Master Jewels, Knight Masons Jewels, and Knight York Cross of Honor Jewels worn on or with the Templar uniform. **These jewels just mentioned are not Templar Jewels and should NEVER be worn on the Templar uniform.**

The top of the jewel or jewels worn should be even with the top edge of the pocket welt.
